K-MULTI-S

SINGLE SIDE MULTIFUNCTION RACK

Perfectly suited to pole storage, K-MULTI-S has become over the seasons the most representative example of Koralp modular solutions.

Ideal to save space and store all types of winter sport equipment.

Main features :

- For storing all types of equipment : adult skis, junior skis, children skis, snowboards, snowboard bindings, poles, snowshoes, bags, shoes
- Independent crossbar
- Micrometric adjustment of forks without tools
- Many storage combinations on forks and shelves
- Best ratio quantity of equipment/space used : up to 437 pairs of poles on K-MULTI-250-SPX
- Self-supporting and secure
