

K-CAISSE

Reception counter

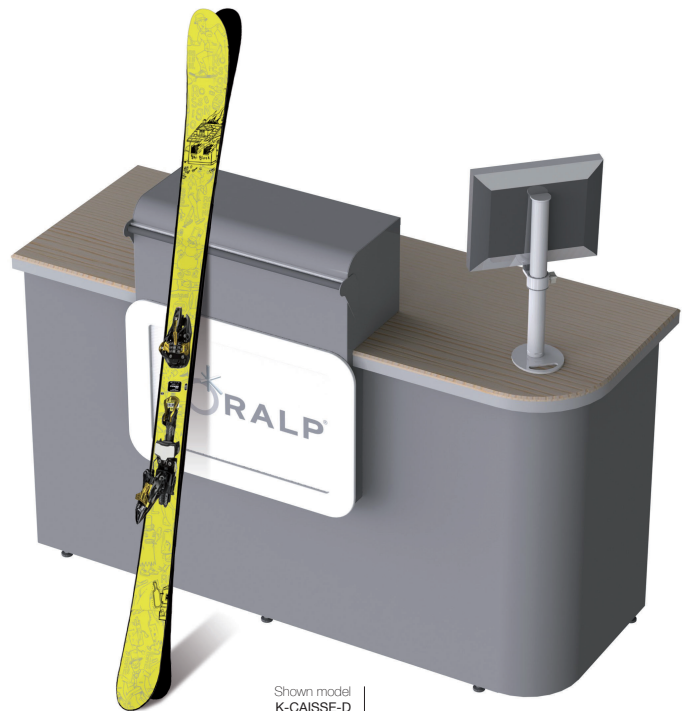

The Koralp cash desk blends seamlessly with your Koralp rent storage solutions. The counter is designed to protect your keyboard, mouse and payment terminals, while offering a dedicated ski support for customers, helping free their hands during the transaction process. The modular design of the counter storage space can be adapted to your particular needs.

GENERAL FEATURES

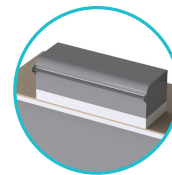

- + Electrical equipment ready.
- + Interior storage modularity.
- + Choice of right or left model.
- + Choice of epoxy, slate grey or white painting.
