

K-SKI40

40° ski racks

If you want to showcase your top-of-range rental skis, this slanted ski rack is an outstanding display solution for optimized product visibility.

GENERAL FEATURES

- + 40° slanted ski display.
- + Accepts all types of skis.
- + Effortless ski handling.
- + Double side model.
- + Available with feet or castors.
- + Available in the four heights.

RECOMMENDATION

+ For a proper functioning of the model with support rollers, the ground must be flat and horizontal (plan to relevel if necessary).
